Monroe Community Credit Union recently presented donations totaling almost \$2,500 to three local nonprofit organizations from its second quarter Member Match program.

"We are proud to support Children with Hair Loss, Monroe County Library System and Monroe Puente as the second quarter Member Match recipients," Kristine Brenner, president and CEO of Monroe Community Credit Union, said. "Their commitment to making a positive impact aligns perfectly with our mission to uplift and strengthen our community. We are grateful to our members for their continued support, as their participation in Member Match has allowed us to make a significant difference in the lives of individuals and families throughout our area."

Member Match began in 2022 and allows MCCU members to choose from three nonprofit organizations each quarter. For every new membership opened at MCCU, the credit union matches the initial \$5 deposit required to join and donates the funds on behalf of the new member to a local nonprofit organization.

Since it began the Member Match program has benefited 18 local nonprofit organizations.
