

Fall/Winter  
2023

*Monroe*  
COMMUNITY CREDIT UNION  
CONNECTION

## CELEBRATING 70 YEARS OF EXCELLENCE!

In 1953, Consolidated Paper Credit Union took its first steps, founded by the visionary couple, Eleanor and Ray Kehres. Their mission: to support the hardworking employees of Consolidated Paper.

Fast forward to 1982, and we proudly transformed into Monroe County Community Credit Union, broadening our horizons to embrace the entire community.

In 1998, our Main office opened its doors, offering not just financial services, but a true home for stability and growth.

The year 2008 saw the birth of Newport Branch, strategically placed to serve our members in the northern reaches of Monroe County.

2019 brought an exciting milestone with the inauguration of Maybee Branch, a testament to our commitment to adapting to the evolving needs of our diverse community.

And in 2021, we took a step further in our dedication to community, rebranding proudly as Monroe Community Credit Union.

As we celebrate 70 incredible years, we extend our deepest gratitude to you, our valued members, for being an integral part of this journey. Together, we've built a legacy of community-centric excellence. Here's to many more years of growth, prosperity, and community empowerment!

**Thank you for being a part of our story.**

# Board Member Spotlight

Born and raised in Detroit to immigrant parents from Italy. I attended Wayne State University for an undergraduate degree in Biology. I furthered my education and attended Des Moines University Medical School in Iowa, graduating in 1991. I completed residency training in Emergency Medicine/Internal Medicine in 1996. At that time, I moved to Monroe to join what is now ProMedica Monroe Regional Hospital. I am blessed to work with a talented group of doctors, nurses, and administrators all striving to make Monroe healthier. I serve on the Exchange Club of Monroe and enjoy boating and golfing. I feel immense gratitude as Monroe has provided me with opportunities for beautiful friendships; this is where I met my wife, Jennifer, of nearly 16 years. We share a 13-year-old son, Matteo.
